# EVENTS & OPPORTUNITIES

## CHARGE CONFERENCE

We will have our first charge conference as a Global Methodist Church on November 12 at 6 PM in Room 820. A charge conference is an annual meeting of church members where lay leadership are approved to serve on our boards for the coming year. It also reviews and celebrates the total mission and ministry of the congregation. If you want more information on this meeting, contact Stephanie Malone at [stephanie@mthorebchurch.org](mailto:stephanie@mthorebchurch.org).

## SURVIVING THE HOLIDAYS

We have some wonderful Congregational Care ministries at our church that help support us through various stages of life. On Tuesday, November 14, from 6:30-8:30 PM in the Chapel, our Stephen Ministry and GriefShare will sponsor a Surviving the Holidays program. This will be a time to help deal with grief during the holidays while remembering our loved ones together. Then, on Wednesday, November 15 from 6:00-8:00 PM in the Chapel, DivorceCare will sponsor a Surviving the Holidays program for those experiencing separation and/or divorce in this season. For more information about any of our Congregational Care ministries or to register for either of our Surviving the Holidays programs, please visit [mthorebchurch.org/care](http://mthorebchurch.org/care).

## NEW SERIES: NOTHING TO LOSE

We have some special events that are taking place during our Nothing to Lose series for the month of November. Immersion baptisms are taking place on November 5, our prayer and healing service is on November 12 and then on November 26 we will have a reaffirmation of baptism service. This reaffirmation service is exciting for us as we have so many requests from those that wish to confirm their covenant of baptism.

If you would like more information on these special events, please email [info@mthorebchurch.org](mailto:info@mthorebchurch.org). We hope you will join us each Sunday for these powerful events.

*If this is your first visit, please stop by the Welcome Center in the main lobby for a special gift.*
