NEW SERIES: GOOD SOIL

We hope that you will join us next Sunday for our new sermon series. God is a good farmer, and our hearts are his field. Good Soil is a four-week sermon series focused on the Parable of the Sower and the Seed from the Gospels. Each week we will examine one of the four types of soil mentioned in the passage: hardened soil, rocky soil, weedy soil, and fertile soil. Every person must take an honest look at the soil of their heart for them to produce deep roots and good fruit that comes from God's Word. In this series, we aim to cultivate hearts that are receptive to the Gospel and ready to bear fruit for the kingdom of God.

This year we are thrilled to announce that there are two weeks of VBS!
