WHEN ARE WE GOING?

There will be two to three required team meetings prior to departure. You will be contacted by your Team Leader and receive the dates once your application has been submitted and approved. A background check and Safe Sanctuary training are required to attend this trip.

WHY ARE WE GOING?

Zoe Empowers is designed for orphaned children and vulnerable youth living in extreme poverty, with youth-led households as the primary recipients. Zoe provides an opportunity for these youth to become self-sufficient. Through a three year, locally led program, participants become safe and healthy, skilled for long-term success and able to lead meaningful lives within a supportive community providing them with a positive impact.

Since 2014, Mt. Horeb has partnered with Zoe Empowers. The participants are organized into groups of 60-100 and receive micro grants, life skills and vocational training to become secure, healthy and connected community members. On this trip, you will get to visit the communities Mt. Horeb has supported, witnessing firsthand how our partnership has helped businesses and group projects thrive amid adversity.
