WHY ARE WE GOING?

The main purpose of this event is to strengthen and encourage our partners through fellowship and prayer.

Grace Community Church serves in a community where Christians are less than 2% of the population and Christian persecution is pervasive. *On this trip, we will participate in Grace Community's community outreach programs.*

Childhood Restoration Ministries rescues children at risk of sexual exploitation (Hope of Glory Children's Home) & evangelizes and plants churches in the largest slum in their city. Hope of Glory houses, educates and creates a family for the children in their care. Through Childhood Restoration Ministries' slum ministry, fifteen house churches have been planted with approximately 1,000 people attending. They provide weekly services, Bible studies, a weekly children's service, new believer training and periodic community celebrations. *On this trip, we will participate in their current ministries and spend time with the Hope of Glory children.*
