

Christmas Gift Shopping Guide

Gift ideas for girls and boys, ages 0–18, organized by price range.

This guide is designed to help Family to Family Christmas gift givers select fun, meaningful age-appropriate gifts for children and teenagers. Each category includes several suggestions.

Remember each gift represents a child from our community. Please do not combine smaller priced items together to make one larger item.

Tips for Christmas Gift Shoppers

- Choose new, unused gifts in their original packaging.
- Stay within the price range listed on your gift tag.
- Include batteries if the gift requires them.
- For babies and toddlers, follow the manufacturer's age recommendations and avoid small parts and choking hazards.
- For teenagers, gift cards to stores such as Target, Walmart, Amazon, Ulta, or sporting goods stores are versatile options.
- Consider practical gifts, such as hoodies, backpacks, blankets, and personal care sets, especially for older children.
- When returning the gift, remember to attach the Mt. Horeb Christmas Store Tag
